Sewer Repairs on 127th Street between Western Avenue and Irving Avenue

CHICAGO – The Illinois Department of Transportation (IDOT) announced that a lane closure is in place on eastbound 127th Street between Western Avenue and Irving Avenue, in Blue Island, Friday, May 12. The closure is necessary for sewer repairs.

In order to complete the repairs, eastbound 127th Street is reduced to one lane between Western Avenue and Irving Avenue. The left turn lane from 127th to Irving Avenue is closed for the duration of the repairs.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
